

The primary goal of providing imported products is to offer a convenient and consistent source for low-cost commodity hose fittings to our customers.

While imported products are rarely innovative or technologically advanced, they do fill a need when economy is of primary importance.

Campbell Fittings provides hose fittings and accessories to meet the needs of every hose distributor every day.

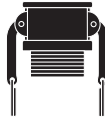

Please note: we are now cataloging our line of Cobra Cam & Groove Couplings in Section C (pages 17 thru 24) joining the Campbell Cobra part C's and E's. Campbell Cobra C's and E's are designed for use with ferrules. Standard Cobra C's and E's can be used with sleeves.
