

Declaration of Conformity to REACH regulation 1907/2006¹

Campbell Fittings manufactures industrial hose fittings from carbon steel, stainless steel, brass, and aluminum. In accordance with Article 33.1 of REACH regulation 1907/2006—"Duty to communicate information on substances in articles"—this letter applies to all products sold or otherwise placed on the market by Campbell Fittings before the signature date below.

REACH Candidate List version date = October 23, 2025

If no such products contain Substance(s) of Very High Concern ("SVHCs")² over the threshold level, this option must be selected:

☐ Checking this box certifies that no products contain SVHCs, per the list version date above, at a concentration over the threshold of 0.1% weight by weight at the article level.

OR, if any such products contain Substance(s) of Very High Concern ("SVHCs") over the threshold level, the table below must be completed. Each product in the table below contains one or more of the SVHCs, per the list version dated above, at a concentration over the threshold of 0.1% weight by weight at the article level.

REACH SVHC Candidate List Status and Information for Articles with SVHCs Over Threshold

Products	Substance % Present (weight/weight)	Substance name	CAS ³ Number	Safe use information (if applicable)
Products with Cast Yellow Brass Articles	+0.1	Lead	7439-92-1	
Products with Carbon Steel 12L14 Articles	+0.1	Lead	7439-92-1	

The information provided is based on information from outside/external suppliers. For any Campbell Fittings article that contains more lead than 0.1% w/w, Campbell Fittings will provide information to provide for its safe use including the name of the substance per REACH Article 33. Campbell Fittings' products are not intended to create appreciable exposure to lead during normal handling and use. Persons handling metallic fittings or related products should wash hands before eating, drinking, or handling food. Article 7 notification obligations are assessed according to REACH criteria. Campbell Fittings products satisfy all applicable REACH Annex XVII restrictions about phthalates.
